

REGULATION OF THE INDONESIAN COAST GUARD  
NUMBER 12 OF 2021  
ON  
PREVENTION AND ERADICATION OF ABUSE  
AND ILLICIT TRAFFICKING OF NARCOTICS, PSYCHOTROPIC SUBSTANCES  
AND OTHER ADDICTIVE SUBSTANCES IN THE INDONESIAN COAST GUARD  
  
BY THE BLESSINGS OF ALMIGHTY GOD  
  
THE CHIEF OF INDONESIAN COAST GUARD

Considering : a. to carry out prevention and eradication of abuse and illicit trafficking, narcotics, psychotropic substances and other addictive substances in the Indonesian Coast Guard, it is necessary to regulate measures to control narcotics, psychotropic substances and addictive substances in an effective, efficient and comprehensive manner.

b. based on the consideration as referred to in point a, it is necessary to issue a Regulation of the Indonesian Coast Guard on Prevention and Eradication of Abuse and Illicit Trafficking in Narcotics, Psychotropic Substances and Other Addictive Substances in the Indonesian Coast Guard.

Observing : 1. Law Number 32 of 2014 on Marine Affairs (State Gazette of the Republic of Indonesia of 2014 Number 294 Supplement to the State Gazette of the Republic of Indonesia Number 5603);

2. Presidential Regulation Number 178 of 2014 on the Indonesian Coast Guard (State Gazette of the Republic of Indonesia of 2014 Number 380);

HAS DECIDED:

To issue: REGULATION OF THE INDONESIAN COAST GUARD ON PREVENTION AND ERADICATION OF ABUSE AND ILLICIT TRAFFICKING OF NARCOTICS, PSYCHOTROPIC SUBSTANCES AND OTHER ADDICTIVE SUBSTANCES IN THE INDONESIAN COAST GUARD.

Article 1

In this Regulation:

1. Prevention and Eradication of Abuse and Illicit Trafficking in Narcotics, Psychotropic Substances and other Addictive Substances (*Pencegahan dan Pemberantasan Penyalahgunaan dan Peredaran Gelap Narkotika, Psikotropika dan Bahan Adiktif lainnya*), hereinafter abbreviated as P4GN, mean efforts to prevent, eradicate, treat and rehabilitate the abuse of narcotics, psychotropic substances and other addictive substances.
2. Narcotics mean substances or drugs originating from plants or non-plants, whether synthetic or semi-synthetic which can cause a decrease or change in consciousness, loss of taste, reduce or eliminate pain and can cause dependence, which are differentiated into groups as referred to in Law Number 35 of 2009 on Narcotics.
3. Psychotropic Substances mean substances or drugs, both natural and synthetic, not narcotics, which have psychoactive properties, through selective influence on the central nervous system which causes characteristic changes in mental activity and behavior.
4. Other Addictive Substances mean addictive substances except tobacco and alcohol that are substances not included in the Narcotic or Psychotropic class, but cause addiction.
5. Drugs mean Narcotics, Psychotropic Substances and Other Addictive Substances.
6. Drug Abuse, hereinafter referred to as Abuse means the use of dangerous drugs or substances for purposes other than treatment and research as well as is used without following the correct rules and dosage without the right or against the law.

7. Illicit Trafficking of Drugs means any activity or series of activities carried out without the right or against the law which is determined as a criminal offense of Narcotics.
8. Indonesian Coast Guard hereinafter referred to as Bakamla RI means a non-ministerial government institution that has the task of conducting security and safety patrols in Indonesian waters and Indonesian jurisdictional areas and is domiciled under and directly responsible to the President through the minister who coordinates it.
9. Bakamla RI Personnel mean permanent employees and assisting employees in Bakamla RI.
10. Medical Rehabilitation means a process of integrated treatment activities to free addicts from narcotics dependence.
11. Social Rehabilitation means a process of activities in an integrated recovery which is physical, mental or social, so that former Narcotics addicts can return to carry out social functions in community life.
12. Counseling means a relationship between a counselor and a drug abuser in order to help increase awareness of the problems he/she is experiencing and his/her strengths which can be used to improve his/her behavioral changes, overcome difficulties and make decisions.
13. Screening Test means a test or diagnosis method to find out if a person has a certain disease or condition before it causes any symptoms.
