REGULATION OF THE GEOSPATIAL INFORMATION AGENCY
OF THE REPUBLIC OF INDONESIA
NUMBER 1 OF 2026
ON
GUIDELINES FOR THE DISSEMINATION OF GEOSPATIAL DATA AND GEOSPATIAL INFORMATION IN FOREIGN RELATIONS

BY THE GRACE OF ALMIGHTY GOD

THE HEAD OF THE GEOSPATIAL INFORMATION AGENCY
OF THE REPUBLIC OF INDONESIA,

Considering : a. that geospatial data and geospatial information possess strategic value in the dynamics of globalization and development, thereby necessitating a mechanism for the dissemination of geospatial data and geospatial information, particularly in conducting foreign relations, while safeguarding national interests, state sovereignty, and supporting international cooperation based on the principles of equality, mutual respect, and non-prejudice to the interests of the nation;

b. that the rapid development of information technology and the increasing demand for geospatial data and geospatial information in international relations have created the need for the availability of data and information whose dissemination can be properly accounted for;

c. that to ensure legal certainty in the implementation of the dissemination of geospatial data and geospatial information depicting the territory of the Unitary State of the Republic of Indonesia in foreign relations, including international business transactions, it is necessary to establish guidelines to serve as the reference for the implementation of such dissemination of geospatial data and geospatial information;

d. that based on the considerations as referred to in paragraphs a, b, and c, it is necessary to issue a Regulation of the Geospatial Information Agency on Guidelines for the Dissemination of Geospatial Data and Geospatial Information in Foreign Relations;

Having regard to :

1. Law Number 4 of 2011 on Geospatial Information (State Gazette of the Republic of Indonesia Year 2011 Number 49, Supplement to the State Gazette of the Republic of Indonesia Number 5214) as amended by Law Number 6 of 2023 on Enactment of Government Regulation in Lieu of Law Number 2 of 2022 on Job Creation to become Law (State Gazette of the Republic of Indonesia Year 2023 Number 41, Supplement to the State Gazette of the Republic of Indonesia Number 6856);
2. Government Regulation Number 68 of 2014 on Arrangement of the State Defense Territory (State Gazette of the Republic of Indonesia Year 2014 Number 190, Supplement to the State Gazette of the Republic of Indonesia Number 5574);
3. Government Regulation Number 45 of 2021 on Implementation of Geospatial Information (State Gazette of the Republic of Indonesia Year 2021 Number 55, Supplement to the State Gazette of the Republic of Indonesia Number 6657);
4. Presidential Regulation Number 128 of 2022 on the Geospatial Information Agency (State Gazette of the Republic of Indonesia Year 2022 Number 212);
5. Regulation of the Geospatial Information Agency Number 12 of 2021 on Procedures for Granting Approval for the Processing of Geospatial Data and Geospatial Information Abroad (Official Gazette of the Republic of Indonesia Year 2021 Number 545);
6. Regulation of the Geospatial Information Agency Number 17 of 2021 on Implementation of Approval for the Acquiring of Geospatial Data (Official Gazette of the Republic of Indonesia Year 2021 Number 854);
7. Regulation of the Geospatial Information Agency Number 18 of 2021 on Procedures for the Implementation of Geospatial Information (Official Gazette of the Republic of Indonesia Year 2021 Number 984);
8. Regulation of the Geospatial Information Agency Number 7 of 2023 on Organization and Work Procedures of the Geospatial Information Agency

(Official Gazette of the Republic of Indonesia Year 2023 Number 924);

HEREBY DECIDES:

To issue : REGULATION OF THE GEOSPATIAL INFORMATION AGENCY ON GUIDELINES FOR THE DISSEMINATION OF GEOSPATIAL DATA AND GEOSPATIAL INFORMATION IN FOREIGN RELATIONS.

CHAPTER I
GENERAL PROVISIONS

Article 1

In this Agency Regulation:

1. Geospatial Information Agency, hereinafter referred to as the Agency, means a non-ministerial government institution that has duties in administering government affairs in the field of geospatial information.
2. Geospatial Data, hereinafter abbreviated as GD, means data on geographical location, dimension or size, and/or characteristics of natural objects and/or manmade objects under, on, or above the earth's surface.
3 Geospatial Information, hereinafter abbreviated as GI, means GD that has been processed so that it can be used as a tool in the process of policy formulation, decision-making, and/or implementation of activities related with the spatial aspect of the earth.
4. Foreign Relations means any activity involving regional and international aspects carried out by the central government and local governments, or their institutions, state institutions, business entities, political organizations, community organizations, non-governmental organizations, or Indonesian citizens.
5. Indonesian Topographic Map (Peta Rupabumi Indonesia), hereinafter referred to as the RBI Map, means a base map providing information covering land, coastal, and marine areas.
6. National Geospatial Information Network, hereinafter referred to as the IGN Network, means a system for the administration of geospatial information management that is carried out jointly in an orderly, measurable, integrated, sustainable, and effective manner.
7. Administrator of GI means government institutions, local governments, individual, group of persons, or business entity that disseminates GD and GI.
8. Day means a workday.

Article 2

(1) This Agency Regulation serves as the guidelines for the Administrator of GI in disseminating GD and GI in Foreign Relations.
(2) The dissemination of GD and GI in Foreign Relations as referred to in paragraph (1) includes:
    a. the dissemination of GD and GI between the domestic Administrator of GI and the foreign Administrator of GI;
    b. the dissemination of GD and GI from the territory of the Unitary State of the Republic of Indonesia to areas outside the territory of the Unitary State of the Republic of Indonesia; or
    c. the dissemination of GD and GI among the foreign Administrator of GI.

b. detailed technical data on strategic infrastructure;
c. high precision coordinates of strategic state facilities;
d. state secrets;
e. security areas and defense territories; and/or
f. information exempted from disclosure in accordance with the provisions of laws and regulations.

Article 6

(1) The provisions concerning the types of GD and GI disseminated in Foreign Relations as referred to in Articles 4 and 5 do not apply to dissemination conducted in the context of Foreign Relations based on:
a. Indonesia's obligations under international cooperation established pursuant to treaties or memoranda of understanding between the Government of the Republic of Indonesia and the governments of other countries, international organizations, or international institutions;
b. Indonesia's obligations as a member of an international organization in accordance with the provisions of laws and regulations; and/or
c. the implementation of international business transactions in accordance with the provisions of laws and regulations.

(2) The dissemination of GD and GI in Foreign Relations involving the types of GD and GI as referred to in paragraph (1) is carried out with due regard to the aspects of defense, security, national strategic interests, and copyright.

CHAPTER III
APPROVAL FOR THE DISSEMINATION OF GEOSPATIAL DATA AND GEOSPATIAL INFORMATION IN FOREIGN RELATIONS

Division One
General

Article 7
The dissemination of GD and GI in the context of Foreign Relations involving the types of GD and GI as referred to in Article 6 is only carried out after obtaining the approval of the Head of the Agency.

Article 8
In granting the approval of the Head of the Agency as referred to in Article 7, the Agency involves:
a. the ministry administering government affairs in the field of defense; and/or
b. other ministries or agencies related to the subject matter of the GD and GI to be disseminated in Foreign Relations.

Article 9
The granting of the approval of the Head of the Agency as referred to in Article 8 is carried out through the following stages:
a. application; and
b. verification.

Division Two
Application

Article 10
(1) The application as referred to in Article 9 subparagraph a is the submission of documents requesting the approval of the Head of the Agency by an Administrator of GI intending to disseminate GD and GI in Foreign Relations involving the types of GD and GI as referred to in Article 6.
(2) The application documents as referred to in paragraph (1) at least contain:
    a. the background for the dissemination of the GD and/or GI;
    b. the content, type, and metadata of the GD and/or GI;
    c. the identity of the party that will receive the GD and/or GI;

d. the identity of any other party, if the party receiving the GD and/or GI intends to further disseminate the GD and/or GI to another party;
e. the mechanism for disseminating the GD and/or GI; and
f. a statement of limited-use assurance containing a declaration that the recipient of the GD and/or GI will only disseminate the received GD and/or GI to another party as referred to in subparagraph d.

(3) The application documents as referred to in paragraph (2) are submitted to the high level senior executive officer responsible for the administration of the GI infrastructure within the Agency.

Division Three
Verification

Article 11

(1) The verification as referred to in Article 9 subparagraph b is conducted by examining the conformity of the application documents with:
a. the application document requirements as referred to in Article 10 paragraph (2);
b. policies concerning defense, security, national strategic interests, and copyright; and
c. the accessibility and traceability of the GD and/or GI.

(2) The verification as referred to in paragraph (1) is carried out by the first level senior executive officer responsible for the IGN Network within the Agency.

Article 12

The verification as referred to in Article 11 is completed within a maximum period of ten (10) Days from the date the application documents as referred to in Article 10 are received.

Article 13

(1) The results of the verification as referred to in Article 12 consist of:
a. the application being rejected; or
b. the application being approved.

(2) Where the verification result is a rejection of the application as referred to in paragraph (1) subparagraph a, the rejection must be issued in writing and accompanied by the reasons for the rejection.

(3) Where the verification result is an approval of the application as referred to in paragraph (1) subparagraph

b, the approval of the Head of the Agency is issued in writing and contains at least the following information:

a. the identity of the applicant;
b. the identity of the party that will receive the GD and/or GI;
c. the identity of any other party, if the party receiving the GD and/or GI intends to further disseminate the GD and/or GI to another party;
d. statement that the application for the dissemination of the GD and/or GI involving the types of GD and/or GI as referred to in Article 6 has been approved;
e. the types of GD and/or GI as referred to in Article 6 that are approved for dissemination in Foreign Relations; and
f. the obligations to be fulfilled during and after the dissemination of the GD and/or GI.

(4) The statements as referred to in paragraphs (2) and (3) is issued by the Head of the Agency.

Article 14

The high level senior executive officer responsible for the administration of the GI infrastructure within the Agency coordinates the delivery of the verification results as referred to in Article 13 to the Administrator of GI that submitted the application for the dissemination of the types of GD and/or GI as referred to in Article 6.

Article 15

Where the verification result is a rejection of the application, the Administrator of GI that applied for approval to disseminate GD and GI in Foreign Relations may resubmit the application documents as referred to in Article 10, after making the necessary revisions, to the high level senior executive officer responsible for the administration of the GI infrastructure within the Agency.

Division Four
Implementation of Approval

Article 16

The Administrator of GI that has obtained approval to disseminate GD and GI in Foreign Relations shall carry out such dissemination in accordance with the approval of the Head of the Agency as referred to in Article 13 paragraph (3).

Article 17

If GD and GI that have been approved for dissemination in Foreign Relations as referred to in Article 16 will be processed

outside the territory of the Unitary State of the Republic of Indonesia, the Administrator of GI shall first obtain approval from the Agency in accordance with the provisions of laws and regulations.

Article 18

(1) The Administrator of GI disseminating GD and GI in Foreign Relations shall conduct oversight of the GD and GI being disseminated.
(2) The results of the oversight as referred to in paragraph (1) shall be reported to the high level senior executive officer responsible for the administration of the GI infrastructure within the Agency.
(3) The reporting as referred to in paragraph (2) is submitted on the third month, sixth month, ninth month, and twelfth month after the GD and/or GI has been disseminated.

Division Five
Approval System

Article 19

(1) The dissemination of GD and GI in Foreign Relations that has obtained government approval as referred to in Article 13 paragraph (3) must be carried out through the dissemination system.
(2) The dissemination system as referred to in paragraph (1) is integrated with the IGN Network.
(3) The development and management of the dissemination system as referred to in paragraph (2) are coordinated by the high level senior executive officer responsible for the administration of the GI infrastructure within the Agency.

CHAPTER IV
