CHAPTER I GENERAL PROVISIONS

Article 1

In this Ministerial Regulations:

1. National Social and Economic Single Data (Data Tunggal Sosial dan Ekonomi Nasional), hereinafter referred to as DTSEN, means a single database of individuals and/or households that includes social and economic conditions as well as household welfare rankings, which is established through the integration of social and economic registration data, integrated social welfare data, and targeting data for the acceleration of the eradication of extreme poverty, and which has been matched with population data and is periodically updated, and is managed by a government institution responsible for carrying out governmental duties in the field of statistical activities.
2. Data Updating means the process of renewing and/or supplementing existing data in the DTSEN in order to achieve accurate, up-to-date, and integrated data.
3. Utilization means the use of the DTSEN as the primary data source to ensure that the effective implementation of poverty reduction and the eradication of extreme poverty is carried out in a targeted, effective, efficient, and accountable manner.
4. Non-Government Entity means Institutions outside ministries/agencies and local governments that operate in the field of community empowerment and social welfare.
5. Coordinating Minister for Community Empowerment Affairs, hereinafter referred to as the Coordinating

Minister, means the minister who carries out the synchronization, coordination, and control of the implementation of ministerial affairs in the administration of government in the field of community empowerment.

Article 2

These General Guidelines are used by ministries/agencies and local governments as a reference in the management of the DTSEN for the optimization of the implementation of poverty reduction and the eradication of extreme poverty.
